

Diocese of Broken Bay Safeguarding Prayer

God of Protection,

You give us courage to know and understand our responsibility of safeguarding the people of God in Broken Bay and beyond. Guide us in our leadership, so that all may be safe. Strengthen us in our determination, that we may be ever attentive to the needs of the vulnerable. Accompany us, so we may be responsive to our companions on the way. Help us to acknowledge the depth of pain and hurt that has been experienced by many in our church.

United by the Holy Spirit, the Comforter, and with renewed resolve, may we continue to rebuild fragmented relationships, restore faith in our communities, and sanctify the dignity of each person.

By your grace and love, heal the scars of our past and assist us to embrace fully our calling to be people of integrity who listen with open minds and hearts to the cries of those in pain.

Mary, Star of the Sea and Untier of Knots, pray for us. Saint Joseph, pray for us. Saint Mary of the Cross MacKillop, pray for us.
